

Prohibited Substances List

The medications listed below are **NOT ALLOWED** by and resident at Last Stop. We reserve the right to immediately terminate any resident for testing positive for the below medication classifications. If the medication is found in the resident's possession, or any needles, or empty pill bottles are found in the resident's possessions during check in, they will be asked to leave or dispose of them. All bottles should have labels and be prescribed to that resident. There is a zero tolerance policy on any Opiates, Stimulants, Benzodiazepines and Alcohol related products. If you are unsure of your medication **ASK**.
